

The Grande Innovation Academy Drop-Off Procedures

ABC's of Drop-Off

A: **ALERT** at all times

B: **BE** Patient

C: **CELL** Phone Zone **FREE!**

The Grande Innovation Academy has over 10 staff members conducting drop-off every morning come rain or shine! Our #1 priority is getting every scholar into the school safely and ON-TIME.

Please follow the rules, the procedures and be patient.

- The front doors are UNLOCKED at 7:00 a.m. Do not drop off your child earlier than 7:00 a.m.
- School begins at 7:30 a.m.
- Your scholar is TARDY at 7:31 a.m. regardless of traffic or parking issues.
- Plan ahead and be on time!
- If your child walks they will be crossed by a crossing guard.
- If you park in the Home Depot parking lot your child may walk on the sidewalk along Peart to the center sidewalk and proceed into the school.
- If you drive and PARK...you **MUST** pull into a parking spot. **DO NOT LET YOUR CHILD OUT IN A PARKING AISLE. THAT IS EXTREMELY DANGEROUS.**

Drop-Off Diagram Information:

- If you use the pull through drop-off lanes you have 2 choices:
 - **SOUTH** Curb
 - **NORTH** Curb
 - *You may be directed by a staff member as to which lane you use depending on traffic flow.*
 - The **SOUTH** Curb merges with the **EAST** Curb. If you drop on the **SOUTH** curb, merge into the left lane to exit quickly. You drop wherever there is room along the **SOUTH/EAST** curb. Always follow the directions of the staff directing you where to drop- off.
 - We refer to our Drop-Off lanes as the **KISS and GO Lane**...this means make it a quick exit out of the car.
 - **Do not get out of your car or leave it unattended while in the pull through drop-off lanes.**

- Follow the **BLUE** Arrows to a Drop-Off place

- For either the SOUTH or NORTH Curb:

○ Follow the **ORANGE** Arrows on the diagram.

➤ The **YELLOW** arrows show **EXIT** Lanes.
