The Grande Innovation Academy is proud to announce we're adding the Christina's Corner Library to our campus. The library, opening in the fall of 2022, is named after Christina, a reading interventionist, who passed away but had a love for reading.

Through sponsorship, families and businesses have the opportunity to make a lasting impression on our scholars. By supporting the "friends of the library" campaign, you will be helping us meet our goal. For more information, visit [thegrandeinnovationacademy.com](http://thegrandeinnovationacademy.com) or call our office at (520) 381-2360.

We thank you for your continued support!
